SUGGESTIONS FOR SPEEDY PLAY

- Be on Time and be ready to T off on time.
- Play a Provisional Ball if your T shot (or any shot) looks likely to be Out of Bounds or Unfindable.
- **PLAY READY GOLF**
- **Play your own ball regardless of where it is before looking for other players lost ball** – even if it is out of sequence.
- Remember you are only allowed **3 minutes** to find any mislaid ball.
- Pick Up if you are out of shots. **DO NOT PUTT OUT**
- When on the Green - Please PARK your trolleys away from the front of the Greens preferably on the path leading to the next Tee
- **DO NOT** stand filling in your card while others wait for you to T off. T off first and then fill in your card. In Team Games help your Team Leader by clearly stating the number of shots and your stableford points at the finish of each hole.
- **Keep up with the group in front** – The distance between you and the group behind is totally immaterial.
- If you fall more than 1 hole behind the group in front let the group behind through.
- Give full encouragement to everyone in your 4 ball to speed up if they are slow.

PLEASE REMEMBER YOUR SLOW PLAY CAN SPOIL THE PLAY OF ALL THE OTHERS THAT ARE FORCED TO WAIT BEHIND YOU
